# Analyze the problem of the slides

analyze	
Color	Title, content and the paragraph used the same color that make difficult to look.
font	Used 3 fonts : Calibri (Body), Calibri, Arial Black and Script MT Bold. not respected to the rule of the font usage.
consistency	Each slides not the same style. (color of the text and style of the text)
space	Each Slides have white space too much
1 slide	Slide number 2, it has more than 1 idea
Heirarchy	Difficult to look, which one of the content should start first and which one should finish
contrast	Used contrast too much that look messy, difficult to know which one is the main point
