- The 2 other students agree or disagree and express their **own point of view**

Student analysis	Other student's feedbacks on his/her analysis
Mengkorng LY	Feedback by : choan chorn Feedback by : kos keouk
choan chorn	Agree : font style of the magazine is too much. Disagree : white space is not bad
kos keouk	Agree : font style of the magazine is too much. Disagree : color of the magazine is not bad.

Q2 - Discuss the **strengths** and **weaknesses** of each design and how **they could be improved**.

Design analysis	What is great	What could be improved
Mengkorng LY	The color of the text used only 2 color(black and red) the red color used with main point	The font style should be used 2 or 3, don't use too much like that.
choan chorn	White space look so good.	Font style of this magazine should be use over 2 or 3, don't use too much.
kos keouk	Color of the images of magazine is looking good with alignment used effectively.	the magazine use font use font syle too much.
